# Flat World-Flat Milk™

## The Effects of Globalization on The Dairy Industry

Presented by

**David Rama** of

The Cattle Exchange Manager, Auctioneer and Dairy Enthusiast

November 16, 2009

7:00 PM

University of Delaware - Townsend Hall– Room 132

**Mr. Rama Goes To  
Washington:**

**“Oil is almost four times higher today than it was 30 years ago and milk is priced about the same”**

**“Dairy farmers’ financial mess is all about globalization...If the world is a global economy, why not adhere to the highest global standards”**

\*(excerpts from Mr. Rama’s letter to Elected Officials, Dairy Industry Leaders, Dairy Producers and Consumers)

**Milk Prices**

**Come learn about one of the most concerning issues for dairy producers today**
