

## **Instructions for ANFS 468**

### **Research**

**Version: June 1, 2009**

**1. Obtain and review the information and forms in the ANFS 468 packet on-line at:**

<http://ag.udel.edu/anfs/undergrad/documents/ANFS468ResearchForms.pdf>

**2. Meet to discuss research opportunities with a UD faculty member. If he/she agrees to direct you in a research experience he/she will become your research mentor.**

**3. Complete the “Memorandum of Agreement” form before registration can take place:**

You must sign the “Memorandum of Agreement” form and obtain the signature of your faculty research mentor.

**4. Registration:** Registration requires ANFS Dept. approval. Students must bring the completed “Memorandum of Agreement” form with the above signatures to Dr. Kung (Townsend Hall Room 033) for-approval (he will sign for Animal and Food Science (ANFS) Chairperson). Upon his signature, the student will take the form to the ANFS Dept. Office (Townsend Hall Room 044) for registration by Ms. Verna Sawyer.

**5. Reports:** “Semimonthly Reports” should be made available to your research mentor.

The “Final Report” and the completed “Student Evaluation” form must be submitted to your research mentor before the end of the semester.

**Grade:** Your faculty research mentor will submit a final grade only when he/she has received all the paper work described above.
