

October 13, 2009
State Teen Council Meeting

Minutes

Kent County Cooperative Extension Office

*Attendance: Emily Passwaters, Sara Somers, Hannah Harvey, Terra Tatman,
Kaitlin Klair, Seth Klair, Eddie Jackson, Melanie Jackson, Christopher Shaffer, Josh Wakely, Kaleb
Scott, Cody Pettit*

The new officers for the 2009-2010 year were introduced.

Treasurer's Report

\$7,000 in account decided on ways to use the money. Had new idea of having spring overnighter and combining the younger member weekends. We would also like to participate in an event to support an organization. Kaitlin is supposed to research different ideas and present at next meeting.

Secretary's Report

Barn Dance- We encouraged everyone to go back to club and talk this event up so we can have a big turnout. Also, wanted to get a gift for Silvia for letting us once again use her barn for the dance. (basket from Fifers)

Football game-November 7 hasn't had much of a turnout within the past couple years, wanted to go back to everyone being able to sit together and having a tent serving food.

December Meeting/Christmas party- Will be at the county office on December 9th, Food will be provided.

State Teen Conference- Will take place on 2/6/2010. We made a committee for the t-shirts to get a design going. That committee would be Terra, Emily, Kaitlin, Melanie, Josh, Eddie. We decided to be in charge of the ice breakers committee selected is Kaitlin, Melanie, Cody, Terra, Hannah. Tried to get some ideas of what we wanted to do at the overnighiter. Thought of some speakers such as the Philly Phanatic, Amy a speaker from a past year, and Joe Flacko. With prices being up on speakers we are trying to find one at a good price. We are between two themes for the overnighiter "Going Green One Clover at a Time" and "Going Green One Teen at a Time". We really need to talk this event up back at our clubs so we can get the numbers up and it can be a fun filled event for everyone.

President Emily Passwaters adjourned our meeting and it was decided that the officers would meet next month to make some final decisions. Also, to get the different committees together.
