

The 2012 Agronomic Crop Budgets were updated by the University of Delaware Cooperative Extension staff:

Carl German, Specialist, Grain Marketing  
Phillip Sylvester, Kent County Ag Agent  
Robert Mulrooney, Extension Specialist, Plant Pathology  
Mark VanGessel, Specialist, Weed Science  
Joanne Whalen, Specialist, Integrated Pest Management  
Cory Whaley, Sussex County Ag Agent, Agriculture  
Laurie Wolinski, Extension Associate, Farm Risk Management

We'd like to extend special thanks to *Middletown Southern States Cooperative* and *Crop Production Services-Milford* for their cooperation in providing information to reflect current input prices. In addition we'd like to extend special thanks to *Farmers First Services, Inc.* for assistance with crop insurance premiums.

These budgets are also available on the web at the following address:
