

# DELAWARE 4-H DAIRY CATTLE LEASING PROGRAM

## Objectives:

1. To develop character, knowledge and a sense of responsibility in 4-H youth.
2. To provide the opportunity to work with registered dairy cattle as a 4-H project for both non-farm youth and youth from farms with non-registered cattle.
3. To maintain or increase the number of youth carrying a registered dairy as a 4-H project.
4. To maintain or increase the number of registered dairy animals carried as a 4-H project.

## Guidelines:

1. The Leasing Program pertains to registered breeding stock of the following dairy breeds:
  - Ayrshire
  - Brown Swiss
  - Guernsey
  - Holstein
  - Jersey
  - Milking Shorthorn
2. The program is available to any member, hereafter referred to as the **lessee**, in good standing in a county 4-H or dairy club. The lessee must attend at least 50 percent of the regular club meeting during the calendar year and will be encouraged to attend dairy educational meetings.

Cooperative Extension Education in Agriculture and Home Economics, University of Delaware, Delaware State University and the United States Department of Agriculture cooperating, Dr. Robin Morgan, Dean and Director. Distributed in furtherance of Acts of Congress of March 8 and June 30, 1914. It is the policy of the Delaware Cooperative Extension System that no person shall be subjected to discrimination on the grounds of race, color, sex, disability, age, or national origin.

3. The **lessee** will be required to keep a project record on each dairy animal. The record must be submitted to his or her local club leader by the end of the 4-H year.
4. The program is available to all youth who did not own any dairy animals as a 4-H project during the previous year. Exception: If a herd is dispersed and the ownership of animals by the 4-H member is terminated, the 4-H member may participate in the Leasing Program.
5. The leased animal must be a bona fide 4-H project. A 4-H member may lease up to six animals per year but may exhibit a maximum of two animals per show during the project year. A contract must be completed for each animal leased during the year.
6. The owner, hereafter referred to as the **sponsor**, will jointly determine with the **lessee** specific responsibilities to be carried out by the **lessee**. The responsibilities will be recorded on the Lease Agreement and will list items such as:
  - The **lessee's** duties and responsibilities while working with the animal at the farm
  - A working schedule for carrying out the specific duties
  - Any assistance the **sponsor** will provide to the **lessee**
7. The leased animal may be exhibited in the appropriate calf and yearling classes. An animal may be shown in the cow classes only if the 4-H youth leased the animal as a calf or yearling.
8. During the contract year, the **lessee** may exhibit the leased animal in junior shows only. The **sponsor** may enter and exhibit the leased animal in open-class shows.
9. The leased animal must come from a herd in the county in which the **lessee** resides or from an adjoining county in Delaware.
10. The leased animal will be housed and maintained at the farm facilities of the **sponsor**.

11. The title of ownership as stated on the registration certificate of the leased animal will remain in the possession of the **sponsor**.
12. The **sponsor** will make the animal available to the **lessee** during the period of the Lease Agreement.
13. The **sponsor** of the leased animal agrees not to hold the **lessee** liable for any financial loss from injury or death to the leased animal.
14. The **sponsor** is not responsible for financial liability from any injury that the **lessee** may incur while working with the leased animal.
15. The **lessee** is responsible for all expenses incurred in exhibiting the animal, such as veterinarian, transportation and other miscellaneous expenditures. The **lessee** may keep any premiums or awards while exhibiting the animal during the duration of the contract.
16. The Lease Agreement must be signed and filed in the county Extension office by May 1<sup>st</sup> of the project year and will be in effect for a 12 month period.
17. The Lease Agreement will remain in force until the end of the project year or until terminated by either party. The Lease Agreement may be terminated prior to the end of the project year for reasons such as:
  - Failure of **lessee** to carry out responsibilities as outlined in the Lease Agreement
  - Changes in the farming operation for the sponsor
18. The Lease Agreement will be reviewed by the **sponsor** and **lessee** prior to entering the leased animal at any dairy show to insure that responsibilities are being carried out by the **lessee**. The sponsor will sign the section on the **lessee** compliance in the Lease Agreement and a copy of the signed Lease Agreement will be attached to the entry form.
19. The Lease Agreement, which includes a one dollar fee paid by the lessee, must be signed by the **sponsor**, **lessee**, a parent or legal guardian of the **lessee**, and the 4-H county Extension agent.
