

2011 National 4-H Week is October 2nd - 8th
Contest Entries Due to the 4-H Office by Sept 30th

County Window Display

Every club is encouraged to design and place a window display in your community during National 4-H Week that helps to promote 4-H to others. This activity can be a lot of fun and it especially helps to tell other individuals who are not involved in 4-H about the outstanding youth program in which you are active. These displays also help to show our community some of the great work you do in the 4-H program. Work with your other club members and develop an idea to share in your community. Your club display should be in place by the beginning of National 4-H Week. We request that Window Displays should remain in place until the end of National 4-H Week or longer if possible. Window Displays will be judged and the top 3 displays in our County will be invited to enter their exhibits in the 4-H building at the Delaware State Fair. Good luck and have fun promoting 4-H.

Litter Barrel Contest

In an effort to promote litter awareness and the work of the 4-H program, all clubs are encouraged to design and paint a litter barrel to place out in their community. So get your brushes out artists, and work with your other 4-H club members to design a barrel with a creative theme to promote litter awareness. Club litter barrels should be in place by the beginning of National 4-H Week. Paint away and have fun!

WINDOW DISPLAY Contest Entry Form

Club Name _____
Leader Contact _____
Phone _____ Email _____
Display Location _____
Business Name _____
Directions to Location _____

Can your display be seen from outside the Business? _____ YES _____ NO
