Kent County 4-H Judging Winners Announced

The 4-H program offers 10 different areas in which 4-H'ers can participate in a judging contest. This is an educational opportunity for our young people to learn to compare. A lesson they can use in their future adult lives in making purchases, selecting menus, or other decisions that depend on comparison. The top contestant in each area at the State Contests is selected as the Kent county winner. The winners are presented a trophy at the Annual Kent County 4-H Achievement program.
