4-H Christmas Trees Brighten Kent County

There were 18 locations throughout Kent County that had Christmas trees trimmed with decorations made by 4-H Club members. The trees were located in nursing homes, senior centers, businesses and other community buildings in Kent County. The Trim-A-Tree contest is not only fun for the 4-H'ers, it serves also as a community service project for the local 4-H clubs. Several clubs do special programs at the nursing homes or senior centers in addition to providing them with a decorated Christmas tree.
