1. Log in to the "Be a Blue Hen" site at <http://www.udel.edu/beabluehen/>
2. Under "Announcements," click on the link called "Set your PIN". Follow the 1-2 steps to set your PIN.
3. Also under "Announcements," click on the link called "Setting up your e-mail account". You will need your PIN to log on to set your e-mail account. This process is several steps, so please allow several minutes to complete it.

It is imperative that you complete this test by **June 9**, so that you can register for your fall courses.

DELA WORLD 101

The Admissions Office soon will send you information about DelaWorld 101—the University's orientation program. This is an important and exciting program for all new students, and you will benefit greatly from your day on campus. During DelaWorld 101, you and your parents will receive information on University policies, student services, and other resources that will be important as you make the transition to UD. You also will have a chance to meet with faculty and administrative staff from the College. NOTE: The on-line project will not replace orientation for CANR students, and you should still plan to attend the full day of DelaWorld activities. If you do not plan to attend UD in the fall, please let us know as soon as possible by sending an E-mail to admissions@udel.edu or by phoning 302/831-8125.
