Comments:
Use this space to provide information on course substitutions or waivers. All changes to Departmental/Major requirements must be approved in writing by the Department Chair. All changes to University/College requirements require approval of the Assistant Dean for Student Services.

✧NOTE:
It is possible that courses taken to fulfill Major requirements also may be used to fulfill University or College requirements; check your catalog and with your advisor for restrictions. In the case that one course fulfills two requirements, be advised that the credits count only ONCE toward the overall total. For example, using BISC 207 to fulfill both a Major requirement and the Ag & Bio Sciences requirement may be allowed; however, only 4 credits are counted toward the degree total.
