

DEGREE CHECKSHEET FOR MINOR

If the Office of Academic Programs does not have a specific checksheet for your minor, please use this form. Use the undergraduate catalog of the year you declared the minor to review minor requirements. List below only those courses that satisfy the minor. If the minor requires specific department approval, please verify your requirements with that department directly. Submit all minor checksheets with your major checksheet and application for graduation to the Office of Academic Programs. If you do not submit the necessary paperwork, you will not be cleared for the minor.
