BOLD=new UDBG offerings

NATIVE plants listed in the descri

All Trees & Shrubs 10% off; Perennials: Qt sz \$5 & \$7; 1 gallon \$9, \$14, \$18

PERENNIALS	COMMON NAME	LIGHT	SOIL	HT	DESCRIPTION
Achillea millefolium 'Pink Grapefruit'	Tutti Frutti™ Yarrow	sun	D/M	1.5-2'	Bred in Netherlands; clusters of dusty rose-pnk flwrs age soft creamy pnk
Achillea millefolium 'Sunny Seduction'	Yarrow	sun	D/M	2-2.5'	Netherlands intro w. upright habit, uniform, long-blooming, soft, butter-yell flwrs
Adiantum pedatum	Maidenhair Fern	ps/sh	M	2'	NATIVE ; dainty, bright green fronds; shiny black stems; airy texture; fab plant
Agastache 'Mandarin'	Kudos™ Series Dwarf Anise Hyssop	sun	D/M	1.5'	brght org flwrs Jun-Sep; hummingbirds adore; compact habit; cut back late wint/early sprng
Agastache rugosa 'Little Adder'	Anise Hyssop	sun	D/M	1.5'	showy rich purp flwrs attract hummingbirds; compact; mint-scented lvs; deer resist
Agastache 'Silver Blue'	Kudos™ Series Anise Hyssop	sun	D/M	1.5'	increased hardiness; fragrant clear lt bl flwrs; scented lvs; don't cut back till late wint/early sprng
Ajuga reptans 'Binblasca'	Black Scallop Bugleweed	sun/ps	D/M	.25-.5	scalloped edge, dk maroon-purp lvs; mat-forming groundcover; blu-violet flwrs mid-late spr
Ajuga reptans 'Burgundy Glow'	Bugleweed	sun/ps	D/M	.5-.75'	spiky blu flwrs May-Jun; tri-colored lvs enhance burg-red tints; dense grndcvr for border front
Alchemilla mollis 'Auslese'	Lady's Mantle	ps/sh	M	1-1.5'	chartreuse fls in June; raindrops bead like mercury on scallop-edged, pleated leaves
Allium canadense var. lavendulare	Ornamental Onion	sun	D/M	.75-1'	lrg clusters of lt pink flrs Jun-Jul; deer resit; edible foliage & bulbs; drought tol
Allium lusitanicum 'Summer Beauty'	Ornamental Onion	sun/ps	D/M	2'	dark lavender flwrs; attractive foliage all season; important mid-summ bloomer
Amsonia 'Blue Ice'	Blue Star	sun/ps	M	1-1.5'	icy blue flwrs sprng; yell fall foliage; grndcvr; drought tol once estblshd; slow spreader
Amsonia ciliata var. filifolia 'Georgia Pancake'	Creeping Blue Star	sun	D	.6'	NATIVE ; prostrate, soft textured, needle-like foliage turns golden in fall; pale bl flrs spring
Amsonia hubrichtii	Hubricht's Blue Star	sun/ps	D/M	2-4'	NATIVE ; pale bl sprng flwrs; pumpkin fall color; drought tolerant; soft fern textural foliage
Anemone xhybrida 'Honorine Jobert'	Japanese Windflower	sun/ps	D/M	4'	Aug-Sep single white flwrs w. yell stamens on long stems; cut flwr; tough plant
Aquilegia canadensis 'Little Lanterns'	Columbine	sun/ps	M	1-1.5	NATIVE ; blood-red/yell fls early spring; let naturalize; hummers love; rabbit/deer tolerant
Arachniodes standishii	Upside Down Fern	ps/sh	M	1.5	rare, hard-to-find, slow growing fern; pinnae prominently raised on upper surface of frond
Asclepias tuberosa	Butterfly Weed	sun/ps	D/M	1-3'	NATIVE ; org/red flwrs Jun-Aug; butterfly magnet; Monarch adult/larva require
Aster (Eurybia divaricata) divaricatus	White Wood Aster	sun/sh	D/M	1-2'	NATIVE ; grndcover; thrives shade&sun; drought tol; wht flwrs; attrcts butterflies; top aster
Aster (Symphyotrichum laevis) laevis 'Bluebird'	Smooth Aster	sun/ps	M	3-4'	NATIVE ; #1 ranked aster in Mt Cuba evaluation; violet blue flwrs; butterflies
Aster (Symphyotrichum) ericoides f. prostratus 'Snow Flurry'	Shale Barrens Aster	sun	D/M	.5'	NATIVE ; horizontal spreading stems; bright wht flwrs fall abuzz w. bees; great grndcvr
Aster (Symphyotrichum) n.a. 'Andenken an Alma Pötschke'	New England Aster	sun	M	2-4'	NATIVE ; deep pnk flwrs w. yell cntrs Jun-Sep; birds & butterflies love
Aster (Symphyotrichum) novae-angliae 'Pink Chiffon'	Kickin™ New Engand Aster	sun	M	2-3'	NATIVE ; very bushy, compact habit; semi-double lilac blue flwrs; attracts butterflies
Athyrium felix-femina 'Lady in Red'	Lady Fern	ps/sh	M	2.5'	NATIVE ; burgundy-red stems w. lacy, bright grn fronds; deer resist; good contrast w. hostas
Athyrium 'Ghost'	Lady Fern	ps/sh	D/M	2-2.5'	hybrid fern; upright silvery fronds; spreading clump, lights up shade spots; respores if happy
Athyrium otophorum	Eared Lady Fern	ps/sh	M	1-1.5'	colorful fronds purp-red w. silver; tough; deciduous clumping fern
Baptisia 'Purple Smoke'	False Indigo	sun/ps	D/M	3-4'	smoky violet pea-shaped fls Apr-May; very drought tol; can be cut back after flowering
Begonia grandis subsp. evansiana	Hardy Begonia	ps/sh	M/W	1.5-2'	hardy; angel wing shpd lvs w. red undrsides; pink flwr clusters; reseeds if happy
Bergenia 'Angel Kiss'	Dragonfly™ Pigsqueak	ps/sh	M	.8'	semi-dbl, white to lt pink fls; winter lvs dark wine red; great contrast to fine textured plants
Bergenia 'Baby Doll'	Pigsqueak	ps/sh	M	.6-.8'	pink fls age to deep pink spr; smaller lvs than other Bergenia; semi-evgrn groundcover
Boehmeria platifolia	False Nettle	ps/sh	M	3-4'	lrg, coarsely serrated, bold lvs, white amaranth-like flet late spring; evenly moist
Boltonia asteroides v. latisquama 'Snowbank'	False Aster	sun/ps	D/M	3-4'	NATIVE ; daisy-like wht fls cover blue-grey lvs late summ/early fall; well-established classic
Carex dolichostachya 'Kaga-nishiki'	Gold Fountains™ Sedge	ps/sh	D/M	.75-1'	Barry Yinger plant intro; fine lacy texture; gold variegation; evergreen; groundcover
Carex flacca 'Blue Zinger'	Blue Sedge	sun/ps	D/M	1'	rich blue, narrow glaucous, wispy lvs; deer resistant groundcover; wide soil range
Carex oshimensis 'CarFit01'	EverColor® Everest Jap. Sedge	ps/sh	M	1-1.5'	deer resistant; distinctive white variegation brightens shade; mounding clump
Carex oshimensis 'Everlime' PPAF	EverColor® Japanese Sedge	ps/sh	M	1-1.5'	glossy grn lvs edged w. lime grn margins; evergrn; mounding clump; good container plnt
Carex oshimensis 'Eversheen' PPAF	EverColor® Japanese Sedge	ps/sh	M	1-1.5'	dk yell center stripe, grn margins; evergrn mounding clump; great combo w. hostas, ferns
Ceratostigma plumbaginoides	Plumbago, Leadwort	sun/ps	M	.75'	true blue flwrs late summ; grndcvr; red calyces attractive after bloom; late to leaf out
Chelone obliqua 'Tiny Tortuga'	Dwarf Turtlehead	ps	M/W	1.5-2'	NATIVE ; compact w. hot pnk flwrs; lustrous dk grn lvs; larval host Baltimore Checkerspot
Coreopsis 'Gilded Lace'	Tickseed	sun	D/M	4'	sun-yell fls Jun-Oct boon to pollinators; hyb bet C. tripteris & C. verticillata; lacy lvs
Crocsmia 'Red King'	Montbretia	sun	D/M	2'	smlr cultivar; sizzling, salsa red w. yell center, fringed w. dk tangerine; selected in England 1929
Dracocephalum ruyschianum 'Blue Dragon'	Dragonhead	sun/ps	M	1-1.5'	dk bl snapdragon fls cover low thck mound rosemary-like lvs ear summ; good drainage must
Dryopteris erythrosora 'Brilliance'	Autumn Fern, Japanese Shield Fern	ps/sh	D/M	1-2'	fronds emerge copper-pink, arching, semi-evergrn; drought tolerant; color returns in fall

Dryopteris xcomplexa 'Robust'	Buckler Fern	ps/sh	M	3-4'	hybrid bet <i>D. affinis</i> & <i>D. filix-mas</i> ; semi-evergreen; arching fronds; architectural statement
Echinacea 'Cheyenne Spirit'	Coneflower	sun/ps	M	2-2.5'	NATIVE ; vivid colors; red, yell, wht, orng; well-branched habit; goldfinch love seedheads
Echinacea 'Orange Skipper'	Coneflower	sun	M	1.5-2'	NATIVE ; neon-tangerine orange fls; compact, sturdy; attracts goldfinch, butterflies
Eupatorium (Coelestinum) rugosum 'Chocolate'	White Snakeroot	sun/ps	M/W	3-5'	NATIVE ; purple stems and lvs; bright white flwrs late summ-fall; Dick Lighty introduction
Eupatorium (Conoclinium) coelestinum	Hardy Ageratum, Blue Mistflower	sun/ps	M/W	1.5-3'	NATIVE ; vigorous, naturalizes freely; adaptability in soil conditions; late summ-fall blue-purp flwrs
Eupatorium (Eurochium) maculatum 'Phantom'	Joe Pye Weed	sun/ps	M/W	2-4'	NATIVE ; showy wine-red flwrs Jul-Sep; butterflies attractant; deer, clay, wet soil tolerant
Eupatorium fortunei 'Pink Frost'	Jaanesee Joe Pye Weed	sun/ps	M/W	3'	green lvs edged in creamy ivory; rich pink flwrs in fall; butterfly attractor
Euphorbia amygdaloides var. robbiae	Wood Spurge	sun/sh	D/M	1-1.5'	grndcvr; grows in variety of conditions; dk green lvs; yell-grn bracts; white sap poisonous
Euphorbia myrsinites	Donkey Tail Spurge	sun	D	.5-1'	grndcvr; trailing stems blu-grn fleshy lvs; showy yell bracts spring; white sap can be skin irritant
Geranium 'Azure Rush'	Hardy Cranesbill	sun/ps	M	1.5'	more cmpct habit & lightr lav flwrs than 'Rozanne; late sprng-fall flwrs; wends thru other plants
Geranium xcantabrigiense 'Biokovo'	Cranesbill	sun/ps	D/M	.5-1'	fragrant lvs; lt pink fls mid summ; foliage turns burgundy in fall; groundcover
Hakonechloa macra 'Aureola'	Golden Japanese Forest Grass	ps/sh	D/M	1'	brightly variegated lvs gracefully cascade; slow grower; outstanding ornamental grass
Helenium 'Coppelia'	Helen's Flower	sun/ps	M	2-4'	coppery-org flwrs attrct butterflies/pollinators; tolerates wet soil, deer; cut back after flowering
Helenium flexuosum 'Helbro'	Mardi Gras Helen's Flower	sun/ps	M/W	2-3'	NATIVE ; yell & red rays/choc-brwn cone mid summ-fall; butter/pollinator plant, good pollinator
Heliopsis helianthoides v. scabra 'Sommersonne'	Ox Eye Sunflower	sun	D/M	2-3'	NATIVE ; snlg to dbl yell rays, deep org centr mid summ-early fall; tough upright habit
Heliopsis 'Summer Pink'	False Sunflower	sun	D/M	2'	NATIVE ; dk red stem, pink lvs w.purp veins; bright yell flwrs late spg-late summ; hummers love
Helleborus 'BLT02'	Angel Glow® Hellebore	ps/sh	M	1.5'	<i>H. niger</i> x <i>H. xstemii</i> ; abundant pink flwrs wint-early spr; compact, mounded habit; vigorous
Helleborus xnigercor 'Snow Love'	Winter Magic™ Hellebore	ps/sh	M	1-1.25'	creamy yell fls early sprng, mature to celadon green patina; deer proof, big outfacing
Heuchera 'Berry Smoothie'	Coral Bells	ps/sh	M	.75'	<i>H. villosa</i> x <i>H. americana</i> ; rosy-red lvs w.faint silver veil; lt pink flwrs early Jun-late Jul
Heuchera 'Blackberry Ice'	Alum Root	sun/sh	M	.75-1'	NATIVE ; iridescent purp foliage w.silver overlay, dk veins; drought, heat, humidity tolerant
Heuchera 'Blondie'	Little Cutie™ Coral Bells	ps/sh	M	.5'	NATIVE ; creamy yellow flrs early summ-mid-fall; very floriferous; caramel colored lvs
Heuchera 'Citronelle'	Alumroot	ps/sh	D/M	1'	electric-yell lvs sprng fade to chartreuse; heat, humid, drought tolerant
Heuchera macrorrhiza 'Autumn Bride'	Hairy Alum Root	sun/sh	M	1.5'	NATIVE ; light green velvety lvs with creamy wht flwrs mid-summ; drought tolerant
Heuchera 'Mocha'	Alum Root	ps/sh	M	1-1.5'	very lg, rounded purp-brw lv; tolerant of heat and humidity; creamy wht flwrs late May-Aug
Heuchera 'Peach Parfait'	Carnival™ Coral Bells, Alumroot	ps/sh	M	1'	ruffled peach lvs w.org veination & silvr hi-lights; grown for foliage; heat/humid tolerant
Heuchera 'Silver Scrolls'	Alumroot	ps/sh	M	.75-1.5'	metallic silver-purp lvs w.dk purp veins; leaf undrsd purp; clumper; flwrs not showy
Heuchera 'Sweet Tart'	Little Cutie™ Coral Bells	ps/sh	M	.5'	NATIVE ; lobed, bright, lime grn lvs w.cerise & pal pink bell flr sprays late spring-early fall
Hibiscus coccineus	Scarlet Rose Mallow	sun/ps	M/W	3-6'	NATIVE ; cheery, 5 petaled dk red flwrs; sturdy, erect stem; butterflies love; wet soil tol
Hibiscus 'Lord Baltimore'	Hardy Hibiscus	sun	M/W	4-5'	immense crimson red flwrs Jul-Sep; attracts butterflies; tolerates deer, wet soil; emerges late
Hibiscus 'Midnight Marvel'	Hardy Hibiscus	mon	M/W	4'	deep wine purple ruffled foliage; 8-9 inch deep scarlet red flwrs; rain garden plant
Hibiscus 'Party Favor'	Hardy Hibiscus	sun	M/W	5'	long bloom 8-10 inch, cotton candy pink flwrs w.red eye w.overlapping petals; rain garden plant
Hibiscus 'Robert Fleming'	Hardy Hibiscus	sun	M/W	3'	7-inch blk-cherry-red flwrs; bold summ color & foliage; all hardy hibiscus late to emerge
Hosta 'August Moon'	Plantain Lily	ps/sh	M	1.5'	medium; classic; golden yell lvs; fast grwth; sun tolerant; soft lav flwrs late summ
Hosta 'Blue Mouse Ears'	Plantain Lily	ps/sh	M	.5'	miniature; tough but dainty blue green lvs slightly curled at edges; misumm lave blooms
Hosta 'Christmas Tree'	Plantain Lily	ps/sh	M	2'	lrg, corrugated, drk grn lvs w.thin yell margin fades to cream; lav fls mid-summ, red seed pods
Hosta 'Cotton Candy'	Plantain Lily	ps/sh	M	1'	lvs emerge heavily misted w.grn & white, turn all grn mid-summ; lavender fls mid summ
Hosta 'Electrocution'	Plantain Lily	ps/sh	M	1-1.25'	small; grn lvs w.thin creamy margins; wavy, heavily twisted; funky; lav flwrs summ
Hosta 'Fragrant Bouquet'	Plantain Lily	ps/sh	M	1-1.5'	large funnel shaped fragrant wht flw late summ; apple-grn lvs w.cream margin; sun tolerant
Hosta 'Harvest Dawn'	Plantain Lily	ps/sh	M	.75'	dark green lance shaped lvs w.rippled edges; lav flwrs; great contrast to finer textures
Hosta 'Maui Buttercup'	Plantain Lily	ps/sh	M	.75'	thick, gold lvs, slightly cupped; violet flwrs early summ; cross 'Frances Williams' & August Moon'
Hosta 'Neptune'	Plantain Lily	ps/sh	M	2'	large; slightly cupped, heavily rippled very bl spr lvs, turn bl-grn; cascading; pal lav fls summ
Hosta 'Queen Josephine'	Plantain Lily	ps/sh	M	1.5'	med vase-shaped mound, glossy dk grn lvs w.irregular golden yell margins; pale lav fls mid Aug
Hosta 'Whee'	Shadowland® Plantain Lily	ps/sh	M	1-1.5'	thick wavy lvs w.cream margins; lt lav fls mid summ; shoots emerge curled & twisted
Iris 'Black Gamecock'	Louisiana Iris	sun/ps	M/W	2-3'	stunning blue-black, velvet-colored fls; can grow in water; late flowering
Iris ensata 'Little Bow Pink'	Japanese Iris	sun/ps	M/W	3.25'	mid season-late; dbl, sanded pastel blue falls w.lt blue band, white style arms edged dk bl
Iris ensata 'Picotee Princess'	Japanese Iris	sun/ps	M/W	3-4'	mid season-late, ruffled white, sanded violet blue, darker edges, signal yellow; Payne award
Iris 'Lion King'	Japanese Iris	sun/ps	M/W	3.5'	ruffled, rose-edged with white center, yellow signal; does well in wet/rain garden conditions
Lilium formosanum	Formosa Lily	sun/ps	D/M	4-6'	late Aug-early Oct, 8+, 10-inch long, scented, pristine white trumpets; pnk blush on outside
Lobelia cardinalis	Cardinal Flower	sun	M/W	2-3'	NATIVE ; rich red flowers; mid-late summ; hummingbird magnet; White Clay Creek denizen

Lobelia cardinalis 'Black Truffle'	Black Truffle Lobelia	sun	M/W	3-4'	NATIVE ; dk purp lvs; red flwrs summ; draws hummers & btrflies; rain garden plnt
Lonicera xitalica 'Sherlite'	Harlequin Honeysuckle	sun/ps	M	10-12'	showy, fragrant pale rose/yell flwrs May; low maintenance; attracts hummers/butterflies
Meehanian cordata	Wood Mint	ps/sh	M	.5'	NATIVE ; groundcover; 5 inch blue fls spikes; drought tol; weaver; little known/underused
Mimulus ringens	Allegheny Monkey Flower	sun/ps	M/W	1-3'	NATIVE : seen streamside in White Clay Creek Preserve; Jun-Sep lilac purp, snapdragon like flwrs
Monarda 'Raspberry Wine'	Bee Balm	sun	M	3-4'	red-violet flwrs Jun-Aug; very mildew resistant; butterflies/hummingbirds love; lvs fragrant
Muhlenbergia reverchonii 'PUND01S'	Undaunted® Ruby Muhly Grass	sun	D/M	2-3'	dense tufts of bright red to pink cloud panicles late summ; fine texture; don't crowd
Nasella (syn. Stipa) tenuissima	Mexican Feather Grass	sun	D/M	1.5'	cool season grass native to Western US; wispy, flowing foliage sways in wind; great texture contrast
Opuntia humifusa	Prickly Pear	sun	D	.5'	NATIVE ; lrg yell waxy flwrs; reddish edible fruit; small hair-like spines on green pads & fruit
Osmunda regalis var. spectabilis	Royal Fern	ps/sh	M/W	3-6'	NATIVE ; one of the largest ferns in US; slow spreader; big bold upright form
Pachysandra procumbens	Allegheny Spurge	ps/sh	M	.5'	NATIVE ; woodland grndcvr w.speckled grn lvs; creamy flwrs spring

Panicum virgatum 'Shenandoah'	Switch Grass	sun	D/W	2-3'	NATIVE ; dk purp cast to lvs; airy plumes summ-fall; 3 seasons of interest; deer resistant
Penstemon heterophyllus 'Electric Blue'	Foothill Penstemon	sun	D/M	1-1.5'	May-Jul intense gentian blue, tubular fls; well drained soil best; attracts butterflies
Penstemon 'Hot Pink'	Cha Cha™ Beardtongue	sun	D	1.5'	hot pink flwrs w.bushy compact habit; long bloom Jul-Oct; hummingbirds love
Penstemon schmidel 'Red Riding Hood'	Beardtongue	sun	D/M	1-1.5'	coral-red flwrs w.white throat; hummingbird magnet; good drainage important; attractive seed hds
Penstemon xhybrida 'Cherry Sparks'	Beardtongue	sun	D/M	1.5-1.75'	cherry-red bells w.white throats adorn 20-inch stems late May-Aug; must hv good drainage
Perovskia atriplicifolia 'Novaperlac'	Little Lace™ Russian Sage	sun	D/M	1-1.25'	sky-blu flwrs & amyethst calyces mid-summ to mid-fall; dry garden lover; upright habit
Persicaria amplexicaule 'Firetail'	Mountain Fleece	sun/ps	M/W	2-3'	erect, bottlebrush, 6-inch spikes of crimson flwrs Jun-Sep; not rambunctious
Phegopteris decursive-pinnata	Beech Fern	ps/sh	M	1-2'	(syn: Thelypteris); deciduous, slowly running fern w.erect fronds; unusual groundcover
Phlox 'Forever Pink'	Hybrid Phlox	sun	M	1'	compact plant; vibrant purp-pnk flwrs cover plant for 3 wks Jun, again in October
Phlox paniculata 'Jeana'	Summer Phlox	sun/ps	M	4'	all summ 6-inch rose-pnk flwrs; excellent mildew resistance; high rating Mt Cuba evals
Phlox paniculata 'Blue Paradise'	Summer Phlox	sun/ps	D/M	2-4'	NATIVE ; fragrant deep bl flwrs w.wht eye early-mid summ; mildew resistant in full sun
Phlox paniculata 'Peacock White'	Summer Phlox	sun/ps	M	1.5-2'	clear white fragrant flws summ; compact habit; heat tolerant; re-blooms after cutback
Phlox paniculata 'Versde'	Bambini® Summer Phlox	sun/ps	D/M	.8'	NATIVE ; compact; fragrant bright purp fls early summ-autumn; mildew tolerant
Phyteuma scheuchzeri	Horned Rampion	sun/ps	M	.75-1'	excellent rock garden/edging plant seldom seen; spiky ball-shaped deep blu fl cluster
Pulmonaria 'Raspberry Splash'	Lungwort	ps/sh	M	1'	silver spotted lvs; profusion of long-lasting, raspberry-pnk flwrs; quintessential shade plnt
Rubus calycinoides	Creeping Raspberry	sun/ps	D/M	.5'	quilt-textured, creeping groundcover that turns red in fall; orange berries in fall
Rudbeckia fulgida 'Blovi'	Viette's Little Suzy Black-Eyed Susan	sun	D	1-1.5'	NATIVE ; compact; daisy-like flwrs, yell rays, dk brwn disks mid-summ-fall;
Rudbeckia subtomentosa 'Little Henry'	Sweet Coneflower	sun/ps	D/M	3-4'	NATIVE ; fine yell quill petals Jul-Sep; compact plnt; attracts hummer/pollinators
Salvia nemorosa 'Violet Riot'	Color Spires® Salvia	sun	D/M	2'	vivid violet blue flwr spikes sprng-summ; aromatic lvs; attracts butterflies/hummingbirds
Sarracenia 'Dana's Delight'	Pitcher Plant	sun	M/W	1.5'	NATIVE ; grn base, cinnamon red tip w.tiny wht windws in back of brick colored hood
Sarracenia 'Fat Chance'	Pitcher Plant	sun	M/W	.75'	NATIVE ; chartreuse yell pitchers; no chem fertilizers; carnivorous; gv water w.l0w mineral content
Sarracenia flava	Yellow Pitcher Plant	sun	M/W	1.5-3'	NATIVE ; fragrant yell globular flwrs; slender-fluted pitchers spring; water w.low mineral content
Sarracenia leucophylla	White Trumpet Pitcher Plant	sun	M/W	1-2'	NATIVE ; best in consistently moist soils or bog garden; red flrs sprg; pitchers sprg & late summ
Sarracenia purpurea	Pitcher Plant	sun	M/W	.8'	NATIVE ; carnivorous; wht w.red-veined parrot-head pitcher falls sideway; no chem ferts
Saruma henryi	Upright Wild Ginger	sun/sh	D/M	1-1.5'	Apr-May soft yell fls; spreads by creeping rootstocks; downy lvs; tough plant
Sedum (Hylotelephium) 'Firecracker'	Sunsparklet® Stonecrop	sun	D	.5-.75'	front of border plant; well-branched, dense; burg-red all season, new lvs mint grn;pnk flwrhds
Sedum (Hylotelephium) spectabile 'Neon'	Stonecrop	sun	D	1.5'	vibrant deep rose-pink flowers mid-summ-fall; drought tolerant; thick succulent lvs
Sedum cauticola 'Lidakense'	Stonecrop	sun	D	.75-1'	mounding blue-gray succulent lvs w.purp edge; hot pnk star flwrs summ; prefers lean, dry soil
Sedum 'Frosted Fire'	Stonecrop	sun	D	1.5'	creamy edgedm succulent lvs topped in summ w.reddish flwr hds, age to bronze
Sedum 'Lemon Jade'	Rock 'N Grow® Stonecrop	sun	D	1.5'	bright citron yell flwrs in summ age to rosy peach in cold; compact, mounded habit
Sedum 'Pure Joy'	Rock 'N Grow® Stonecrop	sun	D	1'	blue-grn serrated foliage topped w.clouds of pale pnk flws late summer; butterflies love
Sedum sieboldii	Stonecrop	sun	D	.5-1'	silver blue scalloped lvs in unique arching habit; dusty rose flwrs late summer
Sedum spurium 'John Creech'	Stonecrop	sun	D/M	.25-.75'	pink flwrs Aug-Sep; spreading grndcvr; named after former Dir. of US Nat'l Arborteam who collected
Sedum 'Touchdown Teak'	Stonecrop	sun	D	1.5'	grndcvr; glossy, red-brwn succulent lvs; rose-red flwrs summ-fall; good drainage must
Sedum 'Wildfire'	SunSparkler® Sedum	sun	D	.6'	drought-proof grndcvr 18 inches wd; cherry red lvs w.hot pnk variegation; 3 in rose-pnk flwrs
Sempervivum 'Oddity'	Hens and Chicks	sun	D	.4'	lt pink flwr early summ-late summ; fleshy lv that curl into tube, tipped red colder months

Sempervivum 'Pacific Blue Ice'	Hens and Chicks	sun	D	.25-.45'	steel blue summ lvs, burgundy tints w.cooler temps; good for rockery, crevice, troughs
Sempervivum 'Sunset'	Hens and Chicks	sun	D	.25-.5'	five inch wd rosettes; spreads by short stems; winter rosette turns violet; well drained soil must
Solidago rugosa 'Fireworks'	Rough-stemmed Goldenrod	sun	D/M	1-1.5'	NATIVE ; dense bright yell flwrs in arching spire late summ; Mt. Cuba introduction
Solidago shortii 'Solar Cascade'	Short's Goldenrod	sun	D/M	2.5'	NATIVE ; very rare; short rhizomes; topped late Aug-Oct w.showy panicles of gold
Thalictrum aquilegifolium 'TNTNP'	Nimbus™ Pink Meadow Rue	s/ps	M	2.5'	massive lavender pnk flwrs spring; dk stems; fern-like green lvs; mid-border; afternoon shade
Tiarella 'Crow Feather'	Foam Flower	ps/sh	M	.5-.75'	NATIVE ; lt pink, frothy flwrs May; rhizomatous, clump-former w.variegated lvs appearing in fall
Tricyrtis 'Dark Beauty'	Toadlily	ps/sh	M	3-4'	Tricyrtis formosana x Tricyrtis hirta hybrid; white/purple spotted orchid-like flwrs Sept-Oct
Tricyrtis formosana 'Gilt Edge'	Toadlily	ps/sh	M	1-2'	compact; variegated lvs w.cream to chartreuse margins; white w.purp orchid-like fls Jul-fall
Tricyrtis formosana 'Guilty Pleasure'	Toadlily	ps/sh	M	1-2'	gold lvs thruout season;orchid-like fls pink spottedd lav; essential fall bloomer w.great appeal
Tricyrtis formosana 'Samurai'	Toadlily	ps/sh	M	1-1.5'	cream-edged lvs; terminal & upper axils, orchid-like purp speckled flwrs late summ-fall
Tricyrtis 'Seiryu'	Toadlily	ps/sh	M	2'	orchid-like flwr lavender white w.tiny burgundy spots, terminal fl clusters late Aug-late Sept
Vernonia lettermannii 'Iron Butterfly'	Ironweed	sun	D/M	2.5-3'	NATIVE ; compact; dark purpl fluffy flwrs late summer; fine feathery foliage
Veronica longifolia 'First Lady'	Speedwell	sun	M	1.75-2'	compact low mound; numerous spikes pure wht fls early-late summ; tough plant
Veronica longifolia 'Shining Sea'	Speedwell	sun	M	1-1.5'	showy blu spikes late spr-early summ thru late summ-ear fall; deadhead; deer resist
Viola labradorica	American Dog Violet	ps/sh	D/M	.25-.5'	NATIVE ; frillary butt larval food source; rich dk purp lvs; violet flwrs sprng, sporadic summ
Viola walteri 'Silver Gem'	Prostrate Blue Violet	ps/sh	M	0.5	silvery colored lvs w.grn veins; violet-blu flwrs; non aggressive groundcover
Zauschneria garretti 'Orange Carpet'	Creeping Hummingbird Trumpet	sun/ps	M	.5'	red trumpet flwr profusion; well-drained soil; Z7 4 yrs in UDBG raised bed; hummer magnet

SHRUBS, TREES, CONIFERS	COMMON NAME	LIGHT	SOIL	HT	DESCRIPTION
Acer griseum	Paperbark Maple	sun/ps	M	20-25'	slow growing; exquisite peeling brown bark; red fall color; PHS Gold Medal winner
Aronia arbutifolia 'Brilliantissima'	Chokeberry	sun/ps	M	6-8'	NATIVE ; more compact than straight species; more lustrous lvs; scarlet-red fall lvs; abundant fruit
Asimina triloba	Pawpaw	sun/ps	M	15-20'	NATIVE ; maroon flwrs Mar-Apr; banana-custard-like fruit; yell fall color; Zebra Swallowtail host
Asimina triloba 'Mango'	Pawpaw	sun/sh	M	15-30'	NATIVE ; maroon flwrs Mar-Apr; banana-custard like fruit; larval host Zebra Swallowtail; yell in fall
Asimina triloba 'Rebecca's Gold'	Pawpaw	sun/ps	M	15-30'	NATIVE ; maroon-red flwrs Mar-Apr followed by delicious fruit; foliage clear yellow in fall
Buddleia 'ILVOargus01'	Inspired™ Violet Butterfly Bush	sun	D/M	6-10'	dark purple flowers late summer; sterile, non-invasive; loved by adult butterflies
Buddleia 'Purple Haze'	Lo & Behold™ Butterfly Bush	sun/ps	D/M	6-10'	sterile, non-invasive selection; fragrant purp flwrs thruout summ into fall; great butterfly magnet
Buddleia salviafolia	Sage-leaved Buddleia	sun	D/M	2-3'	fragrant, pale lilac-white flwrs throughout summ; sage-like lvs; hardy to zone 7
Buxus sempervirens 'Elegantissima'	Variegated Boxwood	sun/ps	M	3-5'	dense; compact; slow growing evergreen shrub; variegated leaves light up garden space
Callicarpus dichotoma 'Early Amethyst'	Beautyberry	sun/ps	M	4-6'	lt pnk flwr clusters, Jun-Aug; glossy purple fruit late summer; attracts birds
Callicarpus dichotoma 'Issai'	Beautyberry	sun/ps	M	4-6'	lilac fruit late summ remains into winter; unrivaled late season fruit display; compact
Calocedrus decurrens	California Incense Cedar	sun	D/M	30-50'	evergreen; upright pyramidal shape; use as specimen or screen; doesn't discolor in winter
Calycanthus 'Edith Wilder'	Sweetshrub	sun/ps	M	4-6'	NATIVE ; maroon red, fragrant flowers; good yellow fall lvs; originating at Scott Arboretum
Camellia japonica 'April Blush'	Camellia	sh	M	6-8'	large, single light-pink flowers in April; upright, compact plant
Camellia 'Winter's Interlude'	Camellia	sh	M	4-6'	in late October, anemone-form flwrs appear; outer pink, light center; exceptional hardiness
Campsis radicans 'Stromboli'	Atomic Red™ Trumpet Creeper	sun/ps	D/M	vine	NATIVE ; nearly-red flwrs throughout summ, sporadically into fall; vine or sprawls along ground
Carpinus caroliniana	Musclewood	sun/sh	D/M	15-25'	NATIVE ; versatile small tree; tolerates poor soil; orng fall lvs; smooth grey bark; wildlife love fruit
Caryopteris divaricatus 'Snow Fairy'	Variegated Bluebeard	sun/ps	D/M	2.5-3'	compact; wht-rimmed lvs; airy blu flwrs late summ; butterflies love; drought tolerant
Caryopteris xclandonensis 'Lissilv'	Sterling Silver™ Bluebeard	sun	D/M	2-3'	showy violet bl flwrs & silver-blu lvs vibrant in summ-fall border; attracts butterflies
Cephalotaxus harringtonia 'Fritz Huber'	Japanese Plum Yew	sun/sh	D/M	2'	prostrate evergreen groundcover; deer resitant; compact
Cercis canadensis 'JN2'	The Rising Sun™ Redbud	sun/sh	D/M	15-25'	NATIVE ; rose flwrs spring; lime-green lvs in summer; best planted in pt shade for vibrancy
Chaenomeles speciosa 'Iwai Nishiki'	Flowering Quince	sun/ps	D/M	3-4'	double, deep-red flowers resemble small camellia flwrs; compact plants
Chaenomeles speciosa 'Orange Storm'	Double Take™ Flowering Quince	sun/ps	D/M	4-6'	double, dark orange flowers resemble roses; March bloomer; thornless, fruitless
Chaenomeles xsuperba 'Cameo'	Flowering Quince	sun/ps	D/M	4-5'	warm, peach-colored double flwrs Mar-Apr; edible fruit; one of the best
Chaenomeles xsuperba 'Crimson & Gold'	Flowering Quince	sun/ps	D/M	2-3'	deep orange double flowers before the leaves early spr; no fruit; drought tol once established
Chamaecyparis obtusa 'Torulosa'	Dwarf Hinoki Cypress	sun/ps	D/M	4-10'	slow growing conifer; may reach 10 feet in 10 yrs; twisted/contorted habit is its defining feature
Chimonanthus praecox 'Luteus'	Wintersweet	sun/ps	D/M	8-12'	extremely rare; fragrant, clear yell flwrs late wint-early sprng; good for forcing indoors
Clethra acuminata	Mountain Pepperbush	sun/sh	D/W	4-6'	NATIVE ; rare Appalachian mtn; more uprgh than C. alnifolia; mottled cinnamon exfoliating bark
Clethra alnifolia 'Compacta'	Summersweet	sun/sh	D/W	3-4'	NATIVE ; rich pink, fragrant flowers begin late Jun/early Aug; butterfly & pollinator attractant
Clethra alnifolia 'Crystalina'	Sugartina™ Summersweet	sun/sh	D/W	2-3'	NATIVE ; compact habit; frag wht flowers mid-late summ;attracts many pollinators; NCSU intro

Corylopsis pauciflora	Buttercup Winterhazel	ps/sh	M	4-6'	smallest of winterhazels; primrose yell, fragrant flwrs early spring; summ lvs bright green
Corylopsis spicata 'Aurea'	Spike Winterhazel	ps/sh	M	4-8'	2 inch chains of fragrant yell flowers in Mar/Apr; canary yell new lvs remains til June
Cotinus (obovatus x coggyria) 'Grace'	Smoketree	sun	D/M	10-15'	lvs emrg lt red, darken thru summ, fiery red/orgn fall color; frothy pnk panicles summer
Croton alabamensis	Alabama Croton	sun/ps	M	4-6'	rare shrub; distinct silver undrside to apple-green lvs; brilliant pumpkin fall foliage; insig flwrs
Diospyros 'Nikita's Gift'	Hybrid Persimmon	sun	D/M	10-20'	from Nikita Botanic Gardn Yalta, Ukraine; Asian & American hybrid; sweet red-org, flavorful fruit
Diospyros virginiana	Common Persimmon	sun	D/M	35-60'	NATIVE ; fruit taste like dates; very sweet; deep orgn when ripe; persimmon pudding anyone?
Diospyros virginiana 'Meader'	Common Persimmon	sun	D/M	35-60'	NATIVE ; parthenocarpic-sets fruit w.o male near; if male near, yield increases, seeds present
Diospyros virginiana 'JNS'	Magic Fountain™ Weeping Persimmon	sun	D/M	35-60'	NATIVE ; female selection; fall fruit; uprght form w.weeping lateral branches
Disanthus cercidifolius	Disanthus	ps/sh	M	5-7'	bl-grn heart-shaped lvs turn burg, then orgn, gold, finally merlot in fall; spider-shaped burg flwrs
Enkianthus campanulatus	Redvein Enkianthus	sun/sh	M	8-12'	tiny, bell-shaped, nodding, cream wht w.red-striped flwrs May-Jun; vibrant red or orgn lvs in fall
Exochorda 'Snow Mountain'	Pearl Bush	sun/ps	M	5-6'	compact habit; profusion of clear wht flwrs; interesting winter seed capsules; great in wreaths
Fagus sylvatica 'Pendula'	Weeping European Beech	sun/ps	M	30-50'	architectural beauty, particularly during winter; takes a few years to become specimen
Fagus sylvatica 'Riversii'	European Beech	sun/sh	M	50-60'	purple-leaved selection; lrg glossy lvs emerge deep purp, turn purp/grn summ, copper in fall
Fothergilla major	Mountain Fothergilla	sun/sh	M	5-10'	NATIVE ; Appalachia understory plant; white, bottlebrush-like flwrs in sprng; orgn/red fall lvs
Frangula caroliniana	Carolina Buckthorn	ps	M	12-15'	NATIVE ; red berries turn black when ripe; songbirds, other wildlife consume; insig flwrs
Hamamelis xintermedia 'Aphrodite'	Witch Hazel	sun/ps	M	6-10'	abundant late winter flowers yellow to orange-red; yello-orange-red lvs in fall
Hamamelis xintermedia 'Barmsted Gold'	Witch Hazel	sun/ps	M	8-12'	gold flowers Feb-Mar; winter interest; upright when young, rounder w/age
Hamamelis xintermedia 'Birgit'	Witch Hazel	sun/ps	M	8-12'	dark red flwrs Feb-Mar; mild fragrance; leaves butter yell suffused orgn red in autumn
Hamamelis xintermedia 'Sunburst'	Witch Hazel	sun/ps	M	8-12'	clear lemon yell flwrs Jan-Feb; upright vase shape; lvs turn bright yell, orange in fall
Hibiscus syriacus 'DSO4PS'	Rose of Sharon	sun/ps	D/M	6-8'	bicolored double flwrs blend pink & red petals thruout summer-fall; nearly seedless
Hydrangea involucrata 'Wim Wutten'	Blue Bunny™ Bracted Hydrangea	ps/sh	M	2-4'	blue lacecap flwrs Aug-Sept; color not affected by pH; flwrs on new wood
Hydrangea macrophylla 'After Midnight'	Bigleaf Hydrangea	sun/ps	M	3-5'	snowball shaped flwr clusters; purp-blue in acid soil, dk pnk in basic; clusters hold color
Hydrangea macrophylla 'Pia'	Bigleaf Hydrangea	sun/ps	M	2-3'	one of smallest; pink, ball-shaped flwr clusters; individual flwrs somewhat star shaped
Hydrangea paniculata 'Kyushu'	Panicled Hydrangea	sun/ps	M	4-6'	8 inch wt flwr clusters cover plant mid summ; persist to fall/winter
Hydrangea paniculata 'Rensun'	Strawberry Sundae	sun/ps	M	4-5'	white maturing to strawberry-red panicle flower clusters; Jul-Sep; blooms on new growth
Hydrangea serrata 'Beni'	Mountain Hydrangea	sun/ps	M	4'	mid-summ lacecap fls emerge white, deepen to ruby-red; good for small space
Hypericum calycinum 'NCHC1'	Golden Rule® St. Johnswort	sun/sh	ps	2-4'	new grwth gold-orgn; fades to bright yell; yell flwrs thruout summ; groundcover shrub
Hypericum 'Hidcote'	St. Johnswort	sun	M	2-3'	showy, saucer-like, bright yell flwrs Jun-Sept; prune Mar or Apr; blooms new grwth; grndcvr
Hypericum kalmianum 'Cfflpc-1'	Saint John's Wort	sun/ps	D/M	2-4'	NATIVE ; striking blue foliage; yellow summer flowers; red fruit
Hypericum 'Ruihyh006b'	Harvest Festiva™ St. Johnswort	sun	D/M	2'	bright sunny yell summ flwrs; numerous coral-colored fruit persist into fall; long season display
Ilex 'Cherry Bomb'	Holly	sun/ps	M	4-5'	compact habit; cherry red fruits fall-wint; spineless foliage; heat & cold tolerant to -10 degrees
Ilex pedunculosa	Longstalk Holly (female)	sun/ps	M	15-25'	no spines on shiny, dk green foliage; dangling, bright red fruit loved by birds
Ilex verticillata 'Jim Dandy'	Winterberry Holly	sun/ps	M/W	3-6'	male pollinator for 'AfterGlow' 'Aurantiaca' 'Berry Nice' 'Cacapon' 'Oosterwijk' 'Red Sprite'
Ilex verticillata 'Nana'	Red Sprite Winterberry Holly	sun/ps	M/W	2.5-3'	NATIVE ; large-berried; dwarf slow-grower; upright round habit; profuse red berries fall/wint
Ilex verticillata 'NCIV1'	Little Goblin® Winterberry Holly	sun/ps	M/W	3-5'	NATIVE ; compact; abundant, big, bright red fruit fall/wint; good for massing; attracts birds
Ilex verticillata 'Southern Gentleman'	Winterberry Holly	sun/ps	M/W	6-8'	NATIVE ; male cultivar best for pollinating 'Winter Gold'; southern winterberry varieties
Ilex verticillata 'Spravy'	Berry Heavy® Winterberry Holly	sun/ps	M/W	6-8'	NATIVE ; copious vivid red berries in late fall-winter, loved by birds & showy in floral arrangements
Ilex verticillata 'Winter Gold'	Winterberry Holly	sun/ps	M/W	5-8'	NATIVE ; copious golden-yell fruit in winter attract birds; use Southern Gentleman to pollinate
Ilex xkoehneana 'Wirt L. Winn'	Holly	sun/ps	M	15-25'	evergrn bold textured foliage; lrg bright red fruit; pyramidal habit; I. aquifolium & I. latifolia cross
Ilex xmerserveae 'Hatchfee'	Castle Spire® Holly	sun/ps	M	8-10'	pyramidal shape; evergreen; good screen; red berries enjoyed by birds during winter
Ilex xmerserveae 'Mesgolg'	Golden Girl® Holly	sun/ps	M	8-10'	upright, pyramidal form; brilliant yellow berries; mass as hedge; low maintenance evergreen
Jasminum nudiflorum	Winter Jasmine	sun/ps	M	4-6'	numerous yell flwrs Mar-Apr; for best effect, site where grn stems cascade over walls/boulders
Juniperus chinensis 'Blue Alps'	Chinese Juniper	sun	D/M	10-12'	upright, vase-shaped evergreen conifer; prickly blu-grn foliage, slightly arching branching
Juniperus virginiana	Eastern Red Cedar	sun/ps	D/M	30-60'	NATIVE ; evergreen; berry-like cones attractive to birds; nesting site for many birds
Kerria japonica 'Golden Guinea'	Japanese Kerria	sun/ps	M	4-5'	arching grm stems add interest winter garden; large 2-inch diameter yellow spring flowers
Leucothoe fontanesiana 'Nana'	Leucothoe	ps/sh	M	2-4'	NATIVE ; low evergreen arching shrub; compact habit; fragrant white flwrs in spring
Lonicera crassifolia	Evergreen Honeysuckle	sun/ps	M	.6'	prostrate evgrn vine/grndcvr; butt-yell flwrs sprng fade to orgn-pnk; purp/red/bronze winter lvs
Magnolia 'Daybreak'	Magnolia	sun/ps	M	15-20'	fragrant, showy, 6-8 inch deep pink flowers; late April-early May; columnar habit unusual
Magnolia 'Gold Finch'	Magnolia	sun/ps	M	15-25'	large, pale yellow, fragrant flowers w.reddish stamens early spring; flwrs at young age

Magnolia 'March til Frost'	Magnolia	sun/ps	M	15-20'	purp-red outside, white inside; spring flwrs w.sporadic flowers all summ; deciduous broadleaf
Magnolia macrophylla	Bigleaf Magnolia	sun/ps	M	30-40'	NATIVE ; 30 inch long lvs; enormous cream-white fragrant flwrs; cone-like red fruit late summ
Mahonia confusa 'sPg-3-071'	Falseholly	sun/sh	M	4-5'	hardy in zone 7; fine-textured; bright yell spikey flwrs late fall-early wint; grey-blue fruits
Microbiota decussata	Siberian Cypress	sun/ps	M	.50-1.5'	excellent low grndcover w.indefinitely spreading tips; feathery, flat fans; bronze-purp in fall
Nandina domestica 'Jaytee'	Harbor Belle™ Heavenly Bamboo	sun/sh	M	1-2'	red new lvs turn grn in summ, brilliant burg in fall & thruout wint; wht summ flwrs, scarlet fruit
Osmanthus heterophyllus 'Kembu'	Holly Osmanthus	sun/ps	M	3-5'	small wht fragrant flwrs permeate garden in fall; evgrn lvs edged dk grn spotted w.white
Oxydendron arboreum	Sourwood	sun/ps	M	25-30'	NATIVE ; cluster of pendulous wht flwrs mid-summ attract pollinators; spectacular red autumn lvs
Persea palustris	Swamp Redbay	sun/ps	M/W	1-1.5'	NATIVE ; lrg evergreen shrub; rare; grwn frm wild-collected seed in S Delmarva Penn; bl-blk fruit
Pieris japonica 'Cavatine'	Japanese Pieris	sun/ps	D/M	2-4'	extremely compact; fragrant, white bell-shaped flwrs spring; evergreen foliage
Pinus bungeana	Lacebark Pine	sun	D/M	25-40'	multicolored, exfoliating bark provides yr-round interest; evergreen shrub or small tree
Prunus 'Hally Jolivette'	Flowering Cherry	sun	D/M	15'	late Apr-early May pink buds open to dbl pink-white flwrs; one of the very best
Quercus alba	White Oak	sun	M	50-80'	NATIVE ; majestic oak; large shade tree w.potential for red-purp fall color; good for wildlife
Quercus bicolor	Swamp White Oak	mon	D/M	50-80'	NATIVE ; ideal for heavy soils or where water tends to sit; found in low areas/floodplains
Quercus coccinea	Scarlet Oak	sun	D/M	50-80'	NATIVE ; spectacular red to scarlet fall color; great for wildlife, birds/butterflies
Quercus prinus	Chestnut Oak	sun	D/M	50-80'	NATIVE ; bark ages to deep ridges; grows well on nutrient poor, rocky slopes; very dry soil tolerant
Rhamnus caroliniana	Glossy Buckthorn	sun/ps	D/M	8-15'	NATIVE ; small, green-white clusters of spring flwrs; bright red fruit late summ-fall
Rhododendron 'Desiree'	Desiree Azales	sun/ps	M	4-5'	evergreen to semi-evergreen azalea; frilled white flwrs late Apr-ear May; Shammarello hybr
Rhododendron viscosum	Swamp Azalea	sun/ps	M/W	3-5'	NATIVE ; deciduous azalea; orange-red fall color; white flwrs sweet fragrant May-Jun; bluish lvs
Rhododendron 'Yaku Princess'	Yak Rhododendron	sun/ps	M	3-4'	deep pnk buds turn bright pink, mature to white; spring; lvs fawn-colored felt on undrs of lvs
Rhus aromatica 'Gro-Lo'	Fragrant Sumac	sun	D/M	1-2'	NATIVE ; durable grndcvr; good for erosion control; reddish purp fall lvs; tolerant of poor soil
Rhus typhina 'Baittiger'	Tiger Eyes® Staghorn Sumac	sun	D/M	4-6'	lvs emrg bronze, bright yell spring, chartreuse summ, orange-red fall; female selection
Rosa 'Meiggli'	Double Peach Drift® Rose	sun	D/M	1-2'	groundcvr rose; disease resistant; 2-3 inch dbl peach flwrs summ to frost; minimal maintenance
Rosa 'Radtkepink'	Double Pink Knockout® Rose	sun/ps	M/W	4-6'	compact habit; disease free; large bright pink double flowers summ-fall; fragrant
Sambucus pubens	American Red Elderberry	sun/ps	D/M	12-20'	rarely available; yellow-white 5-inch flwr cluster late spring; scarlet fruit relished by birds
Sarcococca orientalis v. humilis 'Sarsid1'	Fragrant Valley™ Sweetbox	ps/sh	M	1-2'	low, evergrn groundcvr; short stature great for foundations; fragrant flwrs late wint/early spring
Sasa veitchii	Kuma Bamboo Grass	sun/sh	D/M	2-3'	dk grn lvs summ; straw-colored margins late fall-winter; winter interest; taller in deep shade
Spiraea japonica 'Walbuma'	Magic Carpet® Spirea	sun	M	1-2'	lvs emerge orange-yell, turn orange-blushed chartreuse; early summ pink-lavender flowers
Spiraea nipponica 'Snowmound'	Japanese Spirea	sun	M	2-4'	plentiful white flowers in spring; compact habit w.arching branches
Spiraea tomentosa	Meadowsweet	sun/ps	M/W	2-4'	NATIVE ; plume-shaped, pink flwrs on branch tips July-Sept; late season treat for pollinators
Spiraea alba v. latifolia	White Meadowsweet	sun/ps	M/W	2-5'	NATIVE ; compact shrub; lt pink terminal flwrs summ; yell fall; rare in wild; harder to find in nurseries
Stewartia pseudocamellia	Japanese Stewartia	sun/ps	M	12-15'	mosaic of grn-grey-orngr-brwn bark; creamy white flwrs Jun; fall color yell, fiery red, or red-purp
Styrax japonicus 'Evening Light'	Japanese Snowbell	sun/ps	M	15-25'	dark purp lvs accentuate fragrant, white, bell-shaped flwrs; spring bloomer
Styrax japonicus 'Pink Chimes'	Japanese Snowbell	sun/ps	M	20'	pastel pink flower late spring/early summer; pink stable in warm spring temps
Syringa xlaciniata	Cutleaf Lilac	sun/ps	M	6-8'	mildew resistant, shrubby lilac w.fragrant, pale lilac flwrs in spring; deeply divided foliage
Thuja 'Green Giant'	Arborvitae	sun/ps	D/M	50'	fast growing evergrn conifer; 12-20' wide at maturity; deer resist foliage; fast screen
Thuja occidentalis 'Nuclear Blast'	Eastern Arborvitae	sun	D/M	4-6'	unlike any arborvitae; evergreen; mix of juvenile, whip-like & mature lvs; conversation piece
Trochodendron aralioides	Wheel Tree	sun/ps	M/W	10-20'	slow growing broad-leaf evgrn; rare in the wild, not often seen available; yell-grn flwrs Apr-Jun
Vaccinium angustifolium 'Northsky'	Lowbush Blueberry	sun	M/W	1-2'	NATIVE ; useful as grndcvr; wht flwrs sprng; small, edible blueberries midsumm; fall color lovely
Vaccinium angustifolium 'Top Hat'	Lowbush Blueberry	sun	M/W	1-2'	NATIVE ; dwarf habit good for small spaces; wht flw sprng followed by blueberry; red/orgn fall lvs
Vaccinium corymbosum 'Bluecrop'	Highbush Blueberry	sun	M/W	5-6'	NATIVE ; white flwrs May followed by lrg blueberries August; fiery red fall foliage
Viburnum japonicum	Japanese Viburnum	sun/ps	M	6-8'	fragrant, showy white flwrs May-Jun; hardy zones 7-9; evergreen leaves; shrub
Viburnum plicatum f. tomentosum 'Molly Schroeder'	Doublefile Viburnum	sun/ps	M	5-8'	pink, flat topped lacecaps on horz branches in spring; repeats in fall; purp red fall color
Viburnum plicatum f. tomentosum 'Summer Snowflake'	Doublefile Viburnum	sun/ps	M	6-15'	compact habit; white flwr clusters line branches spring-fall; red fruit in fall attracts birds
Viburnum trilobum	American Cranberry Viburnum	sun/ps	M	6-12'	NATIVE ; upright shrub; white, lacecap flwr clusters; red fruit late summ, persist thru winter
Vitex agnus-castus 'PIIVAC-1'	Delta Blues™ Vitex	sun	D/M	6-10'	deep blue-purp flwrs begin mid summ-fall; pollinator magnet; well drained soil a must
Wisteria frutescens v. macrostachya 'Aunt Dee'	Kentucky Wisteria	ps/sh	M	4'	prolific sulfur yell, trumpet-shaped flwrs mid-late summ; Daphne family so good drainage
XGordilinia grandiflora	Sweet Tea	sun/ps	M	20-30'	bigeneric X bet <i>Franklinia alatamaha</i> & <i>Gordilinia lasianthus</i> ; 3-4 in wht flwrs Sep-Oct; red-org fall
Zenobia pulverulenta	Dusty Zenobia	sun/ps	M/W	3-5'	NATIVE : Heath family; wht, pendant, bell-shaped flwrs in sprng; blu-gray lvs turn pumpkin in fall

TENDER PERENNIALS/TROPICALS (NOT HARDY)

Agapanthus africanus	Diana Wister's Lily-of-the-Nile	sun	D/M	3-4'	stunning, 8 inch crystal clear white pompom like flwr on sturdy stems; Jun-Jul
Agapanthus 'Elaine'	Lily-of-the-Nile	sun	D/M	3'	hummingbird-attracting dark violet blue flwrs; 8 inches wide on 3' stems; one of the darkest
Aloe 'Silver Star'	Guido Aloe	sun/ps	D	.5-.85'	forms rosettes of striking succulent lvs; well-drained soil; hardy to only 25 degrees
Begonia 'Art Hodes'	Fibrous Begonia	ps/sh	M	1'	strikingly beautiful; lrg bronze-grn lvs covered w.reddish hairs; create halo when backlit
Dyckia richardii	Dyckia	sun	D	.5-.75'	rare Bromeliad family mbr; stiff, thorny lvs; clump rosette; endemic to arid, hi-altitudes in Brazil
Escheveria coccinea	Red Echeveria	sun	D	1-2'	orgng-red flwrs w.bright yell stamen in winter/spring; fuzzy succulent lvs, red arnd margin
Graptopetalum paraguayense	Ghost Plant	sun	D/M	1'	Mexican native succulent; forms 6 inch wd rosettes w.gray lvs, pnkish cast; brittle lvs; wht flwrs
Pedilanthus macrocarpus	Slipper Plant (Tender)	sun	D	3-5'	succulent w.pencil-shaped tapering stems; orgng-red slipper-shaped fls followed by red fruit
Peperomia clusiifolia 'Tricolor'	Variegated Red-edged Peperomia	ps	M	.95'	native to Brazil; rosette-forming or erect w.trailing stems; grwn for lvs; bright indirect light indoors
Peperomia obtusifolia	Baby Rubber Plant	ps	M	.5-1'	bush upright native to S. FL & Caribbean; grown for foliage; sml grn-wht flwr; dry side in winter
Plectranthus 'Lemon Twist'	Swedish Ivy	sun/ps	D/M	.75'	looks good in hanging basket or container; fragrant lvs; trim to maintain shape; low maintenance
Plectranthus 'Mona Lavender'	Swedish Ivy	sun/ps	D/M	1-2'	lavender spikes all summ; pinch to keep shape; hybrid from Kirstenbosch Bot Garden in S. Africa
Sedum morganianum	Burro's Tail, Donkey's Tail	sun/ps	D	4'	hanging succulent w.thick lvs; delicate once mature; red flwrs insig; can take dwn to 40 degrees
Tibouchina heteromalla	Silver Leafed Princess Flower	sun	M	8-10'	velvety, silvery lvs w.prominent veins; 1-2 inch violet flwr spikes summ-fall; cut back scale & form
Tradescantia fluminensis 'Quadricolor'	Multicolored Inch Plant	ps/sh	M	.5-1'	stunning metallic purp lvs striped pink and white; tough houseplant; summer outdoors if desired
