

Top Performers of 2007

Landscape Color Trial Garden

These plants have exhibited excellent performance throughout the season, with an overall score of 4.5 or more out of 5. High heat, high humidity, and an end-of-the-summer drought did not prevent these plants from flowering profusely and attractively. They are highly recommended as a low-maintenance way to add annual color to the landscape.

Botanical Name	Selection	Height	Score	Source
<i>Ageratum houstonianum</i>	Artist Rose	8"	4.7	Proven Winners
<i>Begonia</i>	Doublet Rose (<i>shade</i>)	11"	5.0	Paul Ecke Ranch
